'04 Banner year for NVCC !!

Ed. Concours, Rallye Program, Auto-crosses, Charity events, Social events, Cruises, monthly meetings, you name it and NVCC had a strong program in 2004. We should all thank the Council for their efforts in '04.

The year began with a great concours at Franklin Park that had a huge turnout on a great day—thank you Collin MacDonald and Don Kerndt.

Barbara Shaw (in her **last year** as Rallye Director! Hint.. Hint..) put together some great rallye masters. The rallye masters and events ran from the ever popular Rallye 101 refresher in May to Joe Daly's "Rallye from Hell" #5 in October. A tribute to Barbara hard work there were 14 cars at #5! Thank Barb!

Laurie Kistner truly embraced her role as Social Director, supporting multiple events each month and assuring the word got out to everyone enabling big turnouts for all the events. Thank you Laurie.

Paul Hertel left his role as President and took over the Autocross chair. What a great job Paul did hosting many events at ODS, that allowed a number of drivers to get their high speed license. We had our first high speed event at ODS! Scary! Thanks Paul.

In addition to our ODS schedule, Andrej Balanc, Mike Sarver and yours truly, with the club's blessing, decided NVCC should join the Washington Metropolitan Council of Sports Car Clubs (MWSCC). This organization that includes SCCA hosts events in

the area all year, especially autocrosses. Thanks to Andrej, Mike, our VP James Anderson, and a host of other club members NVCC hosted a MWSCC Championship autocross in October.

There were over 100 cars running and the club received many comments about how well the event ran. What a club!

With George Skalkeas retiring to Florida, Andrej Balanc took up the task of running the 14th Annual Spooktakular. Tough shoes to fill as George did a terrific job in past years.

Andrej added trophies, a worker cook-out, a bigger promotion and even increased the pricing all resulting in a profitable event for the club. Out of area entrants were raving about the format, the skill with which all the club members dug in to run the event and no one complained about the increase in price. Andrej and the club delivered increased value for the increase in price. Thank you Andrej!

Let's not forget the Halloween Cruise, hosted by Joe Daly, our great Historian in Ralph Watts, the work of our VP, James Anderson, new member George Kerns jumping into activities with both feet, Wanda and Zoel opening their home to the club and of course going to events around the east coast representing NVCC and kicking butt! (oh thanks Wanda for being a great Secretary this year).

I am sure I have forgot someone or something but last but not least thank you Jeff Kirk for leading NVCC in one great year that will be tough to top!!

Who ya gonna' Call ?...

**Presidential Pontification by
Jeff Kirk, Pres. NVCC**

Hello fellow NVCC'ers! As this is the last news-
letter of the year, I'd like to compare where the club
stands now, versus where it stood when I wrote my arti-
cle for February. You may recall there were 4 things I
wanted to get done; promote the club, increase local
sponsorship, stabilize the club's finances, and increase
membership and participation. How have we done?
Pretty good I think...and I hope this upcoming year will
be even better!

Promoting the club has been a good thing.
Koons and the NVCC have worked well together this
year, and things are looking even better for next year.
The dealership understands that the NVCC is an excel-
lent venue for promoting Chevrolet and Corvette. The
club this year has several things on the radar, including
possibly working for some charity events, one of which
would put the NVCC (and through us, Koons), in front of
15 to 25,000 people per day! This is reflecting back onto
Koon's attitude in dealing with the club, which is why
NVCC members are shopping Koons and finding great
pricing on new and used cars, parts that are beating
prices found in magazines or the internet, and a mechan-
ical and service writer staff that's straightforward and de-
pendable, as well as investing into the club.

Increasing membership and participation is a di-
vided grade. Participation in some events has been down,
yet there's been an overwhelming increase in other
events. This years Social Chair has done a great job at
organizing this aspect of the club. One of the best things
about the NVCC and its members is that when needed,
they seem to turn out in droves to assist the club. As
usual, the Concourse and Spooktakular events were awe-
some, and the club members were there in full support to
work these events.

The club also began testing the waters by hosting
some new events this year as a prelude to getting knee
deep into local racing venues, and with the expertise of
folks like Andrej, Mike, Jim and Jim, put on a great auto-
cross at Rosecroft. Paul was even able to hold a High
Speed event at ODS, and much to the surprise of myself
and many of the drivers, that "Go fast turn left, Go fast
turn left" is a lot more difficult then it sounds. Any of you
that know Mike Woods and his "I don't mind you racing
on the track, but get the hell out of my way" attitude,
would have been amazed to see him come off the ODS
course and go "Holy crap, that's insane!"

Lastly, where the finances of the club are con-
cerned, we're on our way to doing very well. We're defi-
nitely up from last years numbers, so much so that I'm

authorizing a \$100,000 bonus to
myself, \$50,000 to the VP, \$25,000
for all elected council positions and
\$10,000 for all chair positions! See
ya in Vegas Baby!!!

Ok...maybe we're not quite THAT well off, but
things are better for the club and its members, and are defi-
nitely on the upswing!! As much as I might like to say that
I've accomplished all this, I have to honestly thank each chair
position and council member for doing an outstanding job
this year. Their efforts have been incredible, and I truly ap-
preciate their dedication to the club. I also want to thank all
the club members who have spent so much time and gotten
so involved in the club and its activities.

I hope everyone feels that we're headed in the right
direction, and urge each of you to participate in the effort to
make the NVCC the envy of every Corvette Club.

Thank you,
Jeff Kirk, NVCC President

First of all everyone should note that this will be the last news-
letter of 2004. The first newsletter of 2005 will be the Febru-
ary 2005 issue which will be due to be published approximately
January 25, 2005.

It has been a great year with the newsletter with lots of great
pictures and stories of the activities of the NVCC. I want to
thank everyone for their input, and if I forgot to mention some-
one or did not get credit for a photo right, I apologize.

This year for the first time we have entered the newsletters in
the annual NCCC newsletter competition. Newsletters are not
only judged on content and professional journalism, they are
rated mostly on the activities of the clubs involved. Therefore it
becomes a judging of not how well a newsletter is put together
but of how active the club is with events, activities with other
clubs and charitable work. Good luck to NVCC!

I recently found myself in Las Vegas for business and lo and be-
hold I was there when the SEMA (formally known as the Speed
Equipment Manufacturers Association, now just SEMA) annual
convention was in town.

This is a total aftermarket show. There were 5,000 modified
cars on display—that is not a misprint—5,000!! Ford alone in
their football sized "booth" had over 20 2005 Mustangs, all
modified from full race versions, to "Bullit" versions, to original
GT350 look alikes, fantastic!

It is extremely hard to describe everything. Someone told me
there were 14 miles of corridors to walk up and down. GM had
two C6's in their booth that were totally tricked out (sorry did
not have a camera). There were more C5's with blowers on
them than I could count. Great event, I intend to go next year.

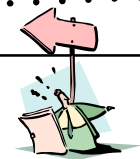

Prediction and challenge: 2004 will be the last year a C4 wins
Spooktakular! If you have not noticed in events all over the U.S.
C5's and especially Z06s are dominating. Truly fantastic cars!

HAPPY NEW YEAR! C U in '05—Jim Beaupre

CHRISTMAS DINNER CRUISE

SATURDAY DECEMBER 11TH, 2004
MEETING: CRACKER BARREL IN MANASSAS
DRIVERS MEETING 1:45 PM
DEPARTURE 2:00 PM

SPONSORED BY: GEORGE & ERICA KERNS
AKA: MR. & MRS. CLAUSE

Come join us on a delightful, and fun filled cruise down to Madison Virginia for an outstanding meal at one of our favorite restaurants the Bavarian Chef on Saturday December 11th. The Bavarian Chef is an outstanding German restaurant that offers dining at it's finest. If your taste is for a good schnitzel, cordon bleu, or even a fine steak; this place will suite just about any taste.

The route will include going through, or past places like Manassas Battlefield, Lincoln winery, Sycamore House, Gray Ghost Vineyards, and other cool sites and places. There is some cool Corvette roads along the way with several good rally points on the roads in case anyone gets separated.

We are requesting that everyone bring a gift that cost \$10.00 or under that is wrapped for a Chinese gift exchange. The rules will be explained at dinner. This game has proven to be great fun at any party. Afterwards everyone is invited back to Mr. and Mrs. Clause's house for cookies.

This is a reservation only restaurant so I will need to know how many are in each party so that I can have an accurate count of people to confirm our reservation by November 24th. The Chef is world class, and he believes in world class service. The average price per couple usually averages between \$60.00 and \$80.00, but is worth every penny plus some.

Directions to the Cracker Barrel in Manassas are, take 66 west to 234 north (Towards the Battlefield) and stay in the right hand lane. At the stop light make a right then a right into the Cracker Barrel parking lot. We will meet in the rear corner of the parking lot facing 234 behind the Shell station. The drivers meeting will be at 1:45 PM.

We look forward to seeing everyone on the 11th of December, and bring your appetite!

Sincerely,
Mr. & Mrs. Clause

The NVCC 2004 Rallye Series has completed all five events after the successful running of the season ending "Rallye from Hell", hosted by Joe and Carol Daly on November 7th. The Daly's surprised us all with an added twist to the Poker Rallye. See the wrap-up article by Joe for further details.

Once again, I must thank all of the great volunteer Rallye Masters and Checkers as well as all the folks that gave up their Sunday afternoon to participate in the 2004 Rallye series. It is inspiring to see the new ideas that are incorporated to keep the program fresh. Thanks to all!!

- Rallye 101: Dick Hammaker
- Rallye #1: Chuck and Karen Pellerin
- Rallye #2: Dick Hammaker
- Rallye #3: Mark Bergstrom and Barb Shaw
- Rallye #4: Brad Sneade and Katy Morrison
- Rallye #5: Joe and Carol Daly

Please also note that the NVCC is looking for a volunteer to take over my position as Rallye Director for the 2005 season. Please let me or any Council member know if you are interested. I will help you in any way I can next year but I am stepping down as Rallye Director. Please help your Club's Rallye program.

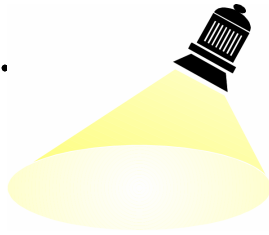

So, thanks everyone for your support over the last couple years. See you at the banquet!

Socially Speaking by Laurie Kistner

Hello Corvetters,

As the corvette season dies down, and the cold, snowy weather takes hold, please take advantage of the last few events planned for the year. It's a long time until March!

UPCOMING SOCIAL EVENTS:

November 21st - The NVCC & NVMC will join forces at Fast Eddies in Fairfax, Virginia for a Sunday brunch & social. This event is hosted by Paul Hertel. Please RSVP to: six_speed@yahoo.com. We will start at 11AM and let the games continue until whenever. Pool and darts are free with food purchase. Hope to see you all there.

December 11th - Christmas Dinner Cruise, hosted by Erica and George Kerns, aka Mr. and Mrs. Claus! Come join us on a delightful and fun filled cruise down to Madison, Virginia for an outstanding meal at the Bavarian Chef. The Bavarian Chef is an outstanding German restaurant that offers dining at its finest. We are currently working on planning the EOY banquet for the end of January/beginning of February, so keep your calendars open! I am also trying to plan some social events in the upcoming winter months so we all can keep from going crazy; perhaps a comedy night or an evening at Medieval Times. I will keep the club posted via the monthly newsletter, club website, online forum and e-mail. Any questions, ideas, concerns, or RSVPs, please shoot an e-mail to lilredcorvette94@yahoo.com.

Respectfully Submitted,

DART SOCIAL REPORT

The Dart Social held at Zoel and Wanda’s place on Saturday, Nov. 13th with a really good turnout. A few novice players were talked into playing and had a few sit back to socialize and of course cheer the players on.

There were lots of appetizers / snacks to be had, thanks to the generosity of everyone. We also enjoyed some great apple pie and a variety of cheese cakes with our coffee as a wind down for the evening. We started out with 6 teams of 2 and the winners for the evening were:

- 1st Place - Zoel Robinson & Phil Squires
- 2nd Place - Sadie Compton & Chuck Pellerin
- 3rd Place - Kirk DeNee & Alicia Squires

Thanks to all that joined us for the evening, we had a great time hosting the Dart Social. We hope to do it again in the spring.

Wanda & Zoel Robinson

“FINAL EXAM” RALLYE RESULTS

Well, the final rallye of the year has come and gone. And what can I say, mother nature played a vital role and once again surpassed everyone’s expectations. A clear, sunny, 70 degree day in early November — who’d a thunk it. ;) For the final rallye we got quite a turnout 14 cars in all came out to play that day, we need to do this all year long!

As promised I made the rallye fun and relatively simple with a few twists to keep you on your toes (after all it was the “Final Exam”). And there were a few challenging questions to help differentiate first from second, etc. But despite all efforts it still came down to the tie-breakers and mileage.

Overall the rallye was rated at 9.54 out of 10, so I guess everyone really enjoyed it. Notable quotes included: “Joe’s best ever” (I suspect this was just some unsolicited sucking up); “Not enough single men” (hey all you single guys – come on out to the next rallye in the spring – you never know who you might meet); “Cul-de-sacs are a real pain” (well if it’s labeled “Street” and doesn’t have a “DEAD END” or “NO OUTLET” sign it is fair game! - I told you there would be tricks!) “Great Questions”.

A new twist I tried at this rallye which seemed to be very popular was the option of getting additional cards, so you could play your best 5 of 7 in the “Poker Rallye”, it really raised the pot. Jim Daly & Gunny Kolodjeiz won “High Hand” and walked away with \$90 (I guess they were the big winners that day), “2nd Highest Hand” and “Low Hand” each received \$45. And the club still got \$140 for the regular rallye entry fees. What a day! It pays to come out to a Rallye!!!

Again, a special thanks go out to Chili’s in Reston for letting us come in before they opened and having chips & salsa and buffalo wings for when we got back. Good food + good weather + good friends = GREAT TIME!

And, despite a little odometer “fudging” by some NVCC members, the results are as follows:

Place	Driver	Navigator	Points
1	Jim Daly	Chris “Gunny” Kolodjeiz	9
2	Alice Arielly	Jack Hufnagle	6
3	Marsha Batchellor	Kathleen Kaake	4
4	Anthony Mont	Suzanne Huggins	3
5	Tom Quarnstrom	Joe Haardt	2
6	Joe Daly, Jr.	Colleen Mont	2
7	Paul Benish	David Mullan	2
8	Joey Baird	Shannon Hall	2
9	Edie Soles	Barbara “B4” Foor	2
10	Wanda Robinson	Sue Paul	2
11	Jim Beaupre	Judy Beaupre	2
12	Jerry Myers	Marelle Myers	2
13	Holly Zell	Jon Powell	2

.Historian - Ralph Watts—Trivia questions for the evening.

1. What year did sales of the Corvette hit its annual high at 53,807? 1979 Winner – Wanda Robinson

2. This mid-year Corvette was unique in the fact that it had 4-way flashers. 1967- Winner – Andrej Balanc

3. We're very lucky that the Corvette survived its early years. The competition from the Ford Thunderbird helped to keep it around until it finally turned a profit in what year? 1958 - Winner – Rick Poage

4. In 1956, on a 2-mile road course at Pebble Beach, the Corvette came into its own by coming in 1st in Class and 2nd overall, losing only to a Gullwing Mercedes. The driver of this Corvette went on to become the SCCA B Production Champion for 1956 and 1957 driving the awesome Corvette. Who was this driver? Dr Dick Thompson (the flying dentist).

Note: In that first race, Thompson stalled and flooded the engine on the start, restarted and passed the field within the first lap. Overheating brakes was the problem that allowed the Mercedes to take the overall lead in the final third of the race. - Winner – Rick Poage

5. What 1964 song did Jan and Dean describe a race between a Stingray and an XKE (Jaguar)?

Dead Man's Curve

Note: Jan Berry and friend Roger Christian wrote this song based on their personal experiences between them. Jan owned a 1963 Stingray and Christian an XKE which they street raced on Sunset Boulevard. The song proved prophetic two years later when in 1966, Jan Berry crashed his Corvette Stingray into the back of a parked truck on a side street in Beverly Hills. Berry, spent several weeks in a coma with severe injuries to the head and brain leaving him with brain damage affecting his speech and ending his career. Winner – Judy Patrick

Treasurer – Jeff Reinke Treasurer's report given.

Rallye – Joe Daly Nov. 7 – Rallye #5 – Meet at Chili's in Reston
