

## Membership Message

*From Jeff Klain  
Membership Chairman*

Dear Fellow Members of the Northern Virginia Corvette Club,

Club and NCCC dues must be in before November 1, 2013. The price remains unchanged. Everyone is strongly encouraged to renew online using the link below:

<http://www.nvcorvetteclub.com/membership.html>

You do not need a PayPal account in order to renew online, just a valid credit card. You must fill in your name and e-mail address. The street address and phone number information are optional as we already have that information in our database (unless any of that info has changed in the past year). The car and interest questions are also optional. For security and privacy reasons, NVCC no longer retains information on what cars members own.

This year, we will also be accepting dues payments via credit card and cash at the next GBM, but please renew online if at all possible.

If you have changed your street address, telephone number(s), or e-mail address, please let me know via e-mail at [membership@nvcorvetteclub.com](mailto:membership@nvcorvetteclub.com) and I will update our database.

## PRESIDENT'S CORNER September 2013

I trust most of you have gotten your vette(s) out and about as summer draws to a close. As Laurie Kistner has posted, there are a number of worthwhile events coming in the near term, not the least of which is the annual Halloween Parade on Wednesday October 23rd, 2013. NVCC has traditionally made this a major showing and has frequently won awards for our participation. Lori Benish has sent out details and there should be a flyer in this newsletter. Whether you think your vette is parade quality or not, numbers matter...so please come on out and make this the biggest NVCC turnout yet!

With the start of Fall, there are two major "non-event" items that require your attention. First is the annual renewal of NVCC membership. While you can use snail mail or renew during the General Business Meeting, the best way for the club is to do so electronically online at: <http://www.nvcorvetteclub.com/membership.html>. Thank you to those that have already done so and for those that haven't, I encourage you to do so to avoid the last minute rush to process the paperwork and help ensure nothing (and no member) has fallen through the cracks. Keep in mind that all of our positions are volunteers, so let's make life easier for those engaged in the renewal process and do so early.

The second item of consideration is that of our council for next year, both elected officers and chairmanship of the various committees. We are fortunate this year that we expect to have relatively few vacancies, but there is a need to shuffle around some of the committee duties to meet our members' current needs and limitations. As comfortable as it may seem from the outside looking in, most of us don't envision holding these positions for life. While nominations will start for the elected positions at the October GBM, there are a number of side discussions underway concerning the alignment of committee functions and who is interested. As such now is not too early to express an interest in taking on (or changing) responsibilities within the club. In that regard, the October council meeting will focus on committee duties and anyone interested in participating in those discussions (or volunteering for a given function) is most welcome to attend. Since we move the council meetings around, please check with me the weekend before the council meeting to determine the exact location.

Lastly, for anyone taking an impromptu tour of our gorgeous countryside as it changes colors, you are always welcome to stop in at the farm and enjoy a few hours of country living.

***Now get out there and enjoy America's sports car!***

Rich Anderson  
NVCC President, 2012/13

## Member Vettes FOR SALE

**For sale:** 2005 Coupe with NEW clear top!! Yes...finally replaced.

Details on car: bought in August 2005 from Forum member who ordered from factory November 2004. Had 7,500 miles on it. I've added a few...now at 98,000. Driven not hidden! Maintained by Joe Malo at Koons then Jim McKay, plus routine items like oil changes, burned out bulbs, etc at my local shop that I've used for many years.

Automatic; added Z51 struts and Lingenfelter intake. Came with upgraded package including HUD, memory seats, etc. Garaged and treated well. Car just inspected recently. I feel car is in very good condition. Why sell? Want the C7 but if allocations or dealers won't cooperate then C6 GS till C7 become plentiful. Fair price is \$23,000. Will allow buyer to hold \$500 in reserve for a month.

Text me at [703-786-2147](tel:703-786-2147). Feel free to drive it...Bob Devery

**For sale:** 1984 Corvette Coupe

At long last I must sell my 1984 Corvette Coupe in order to make room for the 2000 that I recently acquired. Car is 100% street legal and has valid VA safety inspection, good till April 2014. The car has a number of suspension and brake upgrades, is mechanically sound, and has been well maintained.

Sale Price of \$5,000 includes many items in addition to the car itself. If you, or someone you know, might be interested, I can be reached by reply email.

Thanks, Stewart Fox

## NVCC at Summer Thunder *By John Palmgren*

The last Saturday in July is the day for one of the areas larger car shows (at least for the last few years), called Summer Thunder. This year's event was scheduled to start and end earlier than in year's past to give participants a break from the hot weather. NVCC was there with a decent turnout, combined with several Vettes from the ODCC. In attendance for NVCC was Jerry and Irene Lelansky, John and Kara Palmgren, Ben Duling, Marsha Batchellor, Dana Root and Paul Cestone (who showed up a little later in his Chevy Volt). It was a great day, we even took in one new member application, and the show let out before anyone got caught in the rain. Here are a few pics of the gorgeous Vettes at the event.

## The 1st Annual NVCC Cruise Cruise!! *By Bob Devery*

Well...I've narrowed the ideas to the Caribbean on one of the new cruise ships from Princess, Norwegian, or Royal Caribbean. To maximize the possible cruisers, I've decided to look at late September or the first week of November as prices drop a LOT! I'd really like Club member opinions on time frame and cruise line. We could generate a nice donation for the Club on this effort. There are great itineraries with great amenities on the ships. I travel to Orlando in November for a seminar on the new Norwegian ship Breakaway class and look forward to RCCL Quantum soon. I'll have a decision to announce at the November meeting.

If you have an Alaska yearning (John P...already have a note to get you the final info), join me for a cruise in late August as a group of us head out on a 7 day cruise with option for land travel to Mt. McKinley and more! My wife, Carol, will final get to try dog sledding!

And...if you want to break up the winter, join Stewart & Carol; Jerry and Irene Lelansky; John Scott and Vicki and Carol & I...and yes, meet my sister Maureen and other friends as we Piña Colada our way from San Juan to the Southern Caribbean on Royal Caribbean Adventure of the Seas. Still have group bennies available. Leaving on 2/9/14 with all of us arriving 2/8 to enjoy a pre-cruise night in San Juan. Donation already coming to the Club for all NVCCers booked!

Last: As Rich has told us, our activities for track, etc. need cash. I will NOT solve the problem but any travel that I book for you brings in CA\$\$H that we need. Take five minutes to contact me before you hit "buy". My company just announced that I finished #2 out of hundreds of independent agents in the U.S., so I'm as real as any computer site! I know it's tough not to be on the Internet at 2am getting a "deal" but I'm going to match or beat it anyway! My cell is [703-786-2147](tel:703-786-2147).

Enjoy the ride. Life is short but it can be sweet!!

### The RUSH was worth it!

*By Bob Devery*

Saturday 10/5, after a very fancy dinner at Chez Potbelly's, Club members Stewart and Carol Fox, Jeff Klain, Kris McCandless, Ben Duling, Marsha Batchellor and her nephew Andy, and Carol & Bob Devery headed to the start line to see RUSH, the movie about the dueling relationship between F1 superstars James Hunt and Niki Lauda. The race scenes were fantastic and even caused some of our pros to cringe. The overall story was quite interesting and very well done. All of us gave NVCC THUMBS UP!!

Nice informal outing. Maybe another movie night in the future to handle the "keep the Vettes in the garage" season!

Presents:

## “Never Too Cool For Teen Driving School”

A Free Teen Driving and Safety Program

**SATURDAY, NOVEMBER 23, 2013 FROM 7:45AM TO 5:00 PM  
SOUTHWEST SIDE OF DULLES AIRPORT, VIRGINIA**

**Parents, this is for you, too!** Do you have teenage drivers in the house, and are worried about how they will handle “the unexpected” while driving in busy Northern Virginia traffic? Well, we have the solution! Send your teen driver out for a day of real driver training with the Northern Virginia Corvette Club. Your teen driver will learn why cars do what they do, how they should react, how to properly control a car, and how to take care of their cars! Everything anyone should know before getting behind the wheel and on the highways!

You and your teen will spend the day with knowledgeable and highly skilled driving instructors of the Northern Virginia Corvette Club. Under carefully controlled conditions in their normal vehicles (or their parents’), we will put your young drivers through a series of exercises designed to extend driving skills and awareness of the road, as well as learn about safety and car maintenance! **Attendance includes a fabulous pizza lunch from a local pizza place, for both parent and teen.**

**At least one parent or guardian must accompany each teen driver throughout the day!** They will attend classroom sessions and ride with their teens as they drive through exercises designed to help the new driver understand why they might lose control and how to prevent it. In the process, many parents say that they learn a lot, too!

All of this is done at very slow speeds in a carefully designed, safe environment. It is far better for them to know what to do beforehand, in controlled conditions, than to experience a problem out on the highway or public roads and not know what to do!

**This driving school is free**, but the class size is limited to 30. These events fill up fast, so register ASAP! **CORVETTE CLUB MEMBERSHIP IS NOT REQUIRED!** **Registration Closes Friday, November 15, 2013.**

**Certain limitations apply: We CANNOT accept day of class drive-ins, SUVs or vans (for safety reasons)!!! Car sharing must be approved before the day of class. The teen driver must have a learner’s permit or valid driver’s license to participate.**

More information will be available to parents and teens that register early. Confirmations will be emailed to all participants, which will have additional information about the event, so please give a valid email address when registering!

**Please fill out the online registration form at:** <http://www.nvcorvetteclub.com/teendrivingsschool.html>

**Be ready with the following information:**

DRIVER \_\_\_\_\_ AGE \_\_\_\_\_  
DATE RECEIVED LEARNERS PERMIT OR DRIVERS LICENSE \_\_\_\_\_  
PARENT \_\_\_\_\_  
ADDRESS \_\_\_\_\_  
CITY \_\_\_\_\_ STATE \_\_\_\_\_ ZIP \_\_\_\_\_  
PHONE \_\_\_\_\_ EMAIL \_\_\_\_\_  
MAKE AND MODEL OF CAR \_\_\_\_\_ YEAR \_\_\_\_\_

Waivers will require **both parents’ signatures** and will be sent via email prior to the class.

**QUESTIONS?** Contact Cassidy Nolen at [chiefinstructor@nvcorvetteclub.com](mailto:chiefinstructor@nvcorvetteclub.com) or Sue Somersall at [tds@nvcorvetteclub.com](mailto:tds@nvcorvetteclub.com)

# Pictures from the Road...

**Newest Addition to Burke Hammakers** By Dick Hammaker

It was a sad day but traded "The Rocket" (5th Generation 2001 Convertible) today for "Recce" (6th Generation 2008 Convertible). "Recce" is a 2008 Victory Red Corvette Convertible with lots of "bells & whistles", but alas it's an automatic transmission with paddle shifters. These old bones were getting tired of clutching my fun 6-speed manual transmission. Denise even drove it for an hour today and had no complaints.

**C7 @ Sat 9/28 BK Cruise-In** From Laurie Kistner

A crowd formed as soon as Ed Kasper parked...Night Race Blue! Congrats, Ed!

I know many of us are gearing up for Halloween (except the malls that are already starting to celebrate Christmas - haha). To celebrate, the NVCC is participating again in the **Vienna Halloween Parade on October 23th** (Wednesday - a week before Halloween). It is a fun parade and we usually get a great showing. For many years now, we have participated as a club, and occasionally win our division (tied for 1<sup>st</sup> place in 2009 and won the last two years, 2011 and 2012!!). Costumes are not required, but are totally awesome if so inclined. ***They have put a cap of 20 cars (new for this year) - so make sure you RSVP - first come, first served!***

We are meeting to line up between **5-6pm** (after 6pm the roads close - so I urge everyone to come early!). Our line up # is TBD (to be determined) but we are typically put in the Danor Plaza Shopping Center (off of Maple Ave./Branch Rd.), so please RSVP to Lori Benish ([rallye@nvcorvetteclub.com](mailto:rallye@nvcorvetteclub.com)) and give a good contact phone # or email address so we can provide details as soon as they are available. Please see Lori Benish when you arrive to sign the club waiver sheet and check-in.

Many of us have dinner before the parade, since we have to line up early and the parade begins at 7pm - but we don't roll out until closer to 7:30-8pm usually. We are going to try a new place this year, **Elevation Burger**, <http://www.elevationburger.com>, which is in the same shopping center that we line our cars up in (closer and could be a nice change of pace). We will go over to **Elevation Burger at around 6 pm** (address below - please try to let us know ASAP if you will be joining us for dinner, so we can get a good headcount for the restaurant).

Should be a great time. Remember **NO BURNOUTS**, we are here to have fun, but also support the club and make a safe environment for all the little kids that will be watching our super cool cars!

***So here are the details:***

Be at the meeting spot between 5-6pm (if arriving after 6pm and not participating in dinner - hang out and wait for the dinner group to get back to sign in).

**Staging Address - Danor Plaza:** 126 Branch Road SE, Vienna, VA 22180

If you are joining us for dinner, park and then walk down to Elevation Burger at 5:30ish.

**Address to Elevation Burger:** 142 Branch Road SE, Vienna, VA 22180 (703) 865-7277

Hope to see many of you there!

## Two Hall of Fame Corvettes Unveiled

Each Labor Day weekend the National Corvette Museum hosts an induction ceremony for the Corvette Hall of Fame - and for the 3rd year in a row Chevrolet has created special Corvettes to commemorate the induction of their shining stars.

This year Chevrolet created two special Corvettes - one celebrating former Corvette Racing Driver Johnny O'Connell, and one celebrating former GM Corvette Assembly Plant Manager Wil Cooksey.

Johnny's 2014 Commemorative Corvette is a Cyber Gray Stingray with new Jake emblem on the hood, "STINGRAY" across the windshield, yellow calipers, and special Team Corvette and Hall of Fame graphics on the doors.

Wil's 2014 Corvette gives a nod to the 2008 Wil Cooksey Limited Edition Corvette bearing a Crystal Red exterior.

Chevrolet Corvette Product Marketing Manager said there are some aspects of the car that they can't yet disclose. Check out more photos of the cars on our [Facebook](#).

## Vets 'n Vettes Rounds Out NCM Event Season

This year's Vets 'n Vettes event is slated for November 7-9, 2013 offering a number of military-themed activities plus **GM Corvette Assembly Plant Tours WILL BE OPEN!**

Thursday's focus is our American Warrior Recognition Program, including Corvette rides for the wounded warriors, a special luncheon, Museum tour & Plant tour and more.

That afternoon [Brig. Gen. Dan Cherry](#) (Ret.), former commander of the Air Force Thunderbirds, will be speaking about his experience in reconnecting with the pilot of the MiG-21 he shot down with his F-4D Phantom II during the Vietnam War.

On Friday a road tour is available for those wanting to visit Aviation Heritage Park and see Gen. Cherry's actual Phantom, along with a Grumman F9F-5 Panther, Lockheed T-33A Shooting Star and F-111 Aardvark. A trivia contest with prizes will round out the day.

Saturday is the hallmark event - the BG Veteran's Day Parade. Afterwards the local VFW will host our group for a luncheon followed by a free guided road tour, and the event concludes with a banquet.

## First 2014 Corvettes Arrive!

On Wednesday Chevrolet reported that they had begun shipping the all-new 2014 Corvette Stingray Coupe to dealers.

Bowling Green Assembly has produced approximately 1,000 Stingrays for customers thus far. Most of these vehicles are expected to be delivered to dealers within the next few weeks. The National Corvette Museum today received our first shipment of R8C Delivery Corvettes with our first "C7" Delivery slated for September 30 when the plant will re-open to customers participating in R8C, Buyers Tours or Photo Albums through the Museum.

For those of you that have been waiting to catch a glimpse of a C7, we will have them on the floor for display starting tomorrow (Friday)!

Read the complete release by GM on the start of shipping on our Blog [here](#).

Check out photos of the first shipment in our Google+ Album [here](#).

We also have a short video showing the first shipment being unloaded, as well as Delivery Department Manager Lori Bieschke talking about the new car covers on [You Tube](#).

## Possible 2006-2008 GM - Chevrolet Corvette recall or service notice

By Carole Jones

Per our August 13 NVCC GBM - GM needs a VIN to check out what I heard on local radio late August 13 regarding highway patrols (somewhere) discovered/ reported recurring incidents where subject Vette headlights went out and caught fire with wiring so close to the engine. I was able to talk to a Customer Assistance Rep who said if true it would be investigated and that could take some time. GM recommends Vette owners search by their VIN. That's all I could find out. Good luck. Yours may be safe...so far...but, I recommend you keep checking your VIN online or sign up for alerts. I have provided the GM URL below.

<https://my.chevrolet.com/web/portal/warrantyandrecalls>

Several club members attended the NCM HPDE at VIR on June 24 and 25. Those in attendance from NVCC included Cassidy Nolen, Amanda Coughlin, David Dubois, Kris McCandless, and myself. The event was awesome (as usual). We were all flying around the famous 3.2 mile road course for two days. What a blast! Kris was able to do a celebrity ride along with John Heinrichy in Kris's C6, and he ended up needing to do a brake bleed after John boiled the brake fluid in all four calipers!! And yours truly was able to get a ride along with none other than Andy Pilgrim in my LeMans Blue C6 Coupe. It was a very eye-opening experience watching Andy take the corners, and passing much more powerful Z06s and ZR1s. At one point, we were coming out of the hogpen turn onto the front straight away almost sideways at 100+, and he didn't even blink an eye!! It really was an eye-opener to see what these cars are capable of. A couple C7s also showed up, and although none of them were taken out on the track, Amanda was able to get a ride in one, and Cassidy was able to drive one around the VIR property. Here are some pics from the event.

The Corvettes for Chip Corvette show was started in 2007 by a combined effort between the Corvette Club of Northern Delaware (CCND) and Keystone State Corvette Club (KSCC).

In the show's first 5 years we have raised and donated over \$50,000 to the Chip Miller Charitable Foundation!

Most Corvette enthusiasts knew Chip Miller as the creator of the annual Corvettes at Carlisle Corvette event and one of the main driving forces behind the Corvette hobby.

Chip Miller was taken from us in March of 2004 from a little known disease called amyloidosis. The Chip Miller Charitable Foundation was formed to raise funds for the research, education, and awareness of amyloidosis and related diseases.

**Fri. 10/4/13 - Sat. 10/5/13** – The 5th Annual Vettes on the Point. Held at Smith Mountain Lake, this is a special place on God's planet. The Corvette Event location is a peninsula jutting out on a lake. Corvettes surrounded by water are a sight to behold! Check it out yourself: <http://virginiacorvetteclub.com/>

Over 180+ Corvette owners attended last year. If you love nature and the beauty she brings, you will love this year's event. There will be pontoon boat rides on the lake and a wine garden with proceeds to go to charities. And, there will be a "Meet & Greet" reception Friday evening so we can all chill out from the work week!

This is not a Corvette Show, this is a Corvette Event. Contact email: [votp@virginiacorvetteclub.com](mailto:votp@virginiacorvetteclub.com) or see the above link for more information.

11/23/13 – Fall Teen Driving School

---

Yes, autumn is officially here...the heat of summer has left us, however we have the fall colors to look forward to! What a great time to hop in the 'vette and take a scenic drive...

Events are being added and updated all the time...please stay tuned to your email box and the club website (calendar & online forum) at [www.nvcorvetteclub.com](http://www.nvcorvetteclub.com) for the latest!

If anyone would like to host or organize an event, please let me know your details and possible dates you are available ASAP. As Social Director, my duty is to *direct folks in planning their events*...handing me a menu from a restaurant or a business card does not constitute planning an event. Many times all it takes is making a few phone calls and/or arrangements, doing some dry runs (can be fun!), etc...my job is to facilitate and promote YOUR efforts. While I do plan several events, it is impossible for me to plan them *all*.
