'GLASS GAZETTE

LEAVING THE BUNKERS

By: Bob Devery

Well, it would've been nice if the temperatures were a bit warmer but it is winter so even in Virginia, it can get cold. However, after one cancellation due to the ice storm, we had a sunny, albeit cold, day to enjoy a face-to-face get together for lunch. I had chosen the location, BACKYARD GRILL in Chantilly, due to the outdoor area that would allow members to feel

more comfortable with doing something together. With the efforts by management to enclose the area along with the ceiling heaters, I had been hoping for a balmy 70° temperature. It didn't quite reach that temp despite my use of Caribbean pictures for table backdrops! But it didn't stop us from having a couple of hours to enjoy catching up without using Zoom. The management of the restaurant was hoping that they would have an opportunity to see some of the Corvettes. I explained that our world-class vehicles are rarely subjected to freezing temperatures. We may be able to tolerate it but we don't want the cars to do it! The manager did say that they would love to have us come back during warmer weather when we can set our cars up

in a section of the parking lot. The second part of the outdoor area is a very nice patio which really expands everything as the tarp would be lifted to give us plenty of room especially when they have a band playing.

This outing was simply for the people ..not the cars. We've become wonderfully spoiled by the friendships that have been formed with this club and it's upbeat, aggressive schedule that allows us to spend a lot of time together ... something severely missed over the last year although we certainly did a lot more than most expected. Fortunately, our group of 20 was able to acknowledge the presence of Kris and Joanna McCandless, newest of NVCC newlyweds.

Congratulations again guys.

There are couple of pictures from the outing right think it's easy to try a "Guess the Member" contest! Fortunately, the members did not have to stay in their winter garments during the lunch. Maybe we can add it to the trivia section for the next meeting so that members who did not attend the lunch can take a guess at the identity. Life is good outside The Bunker. OBX

Rod & Custom Festival

INFORMATION AT WWW.OBXRC.COM

The Outer Banks®
VISITORS BUREAU
outerbanks.org

Mark your calendars for Friday and Saturday, April 30-May 1, 2021. The OBX Rod & Custom show is a must see for classic car and Corvette enthusiasts. As with 2020, COVID-19 will impact the events and venue(s). A **detailed schedule will not be available until February.** The "normal" format is a central venue with live band and food trucks at Festival Park in Nags Head on the sound with cruises to multiple restaurants and commercial sites up and down the beach in order to "get your tickets punched" to be eligible for a prize. There was also an evening cruise into Manteo where folks parked and went to multiple restaurants. Great venue for pictures.

This year, the Governor would not allow the central site, so 17 venues were chosen that all participants could cruise into over the two days. This year's activities appear below to give you a flavor of what is to come. Over 400 vehicles participated from all over the eastern seaboard, including at least two dozen Corvettes of which at least 5 were C8s:

- Wednesday night – Drag racing at OBX speedway (1.5 hrs. west on mainland) \$15, drive in and race to your heart's content
- Thursday night 6PM-8PM – informal welcome at Richard Quigly's (charity organizer) American Classic Garage
- Friday-Saturday 11 AM-5PM – cruising the 17 venues (restaurants and shops)
- Friday night – unsanctioned meets at several large venues, one in Manteo with a live band

2021 will have an additional exciting event the weekend before OBX R&C. On April 24, Gary Knapp of "Gravedigger" fame will host a cruise to his Monster Truck facility a few miles north of OBX on Rt. 158.

For those who have never done this, folks come from as far away as the Gulf coast and the Northeast, many trailering their cars to the beach. They rent houses from various rental companies (now COVID prepped), or stay in one of many hotels from the lowest to highest price ranges. Many stay for a week and, given the spring timing, rates and weather should be good for outdoor dining and touring.

More information will be provided as it become available. We hope to see many more Vettes this year!

THE PRESIDENT’S CORNER—FEBRUARY 2021

February is upon us. Snow has been falling, Tom Brady has a new Super Bowl ring, and most of our Corvettes are snug and warm. I say most because my 2010 Coupe comes out whenever the pavement is dry and the sun pokes its head out for me. COVID-19 still has its hold on us. But at least some of our members have begun to be vaccinated. I know all of us have our fingers crossed that the summer will bring an end to many of our concerns getting our Corvettes and the NVCC back on the road where we belong.

One of the casualties of COVID-19 is the 2020 Banquet. We had many long discussions between Council members. We made multiple attempts to find a venue and date. In the end, we found this year’s NVCC Banquet to be a bridge too far. All of us are disappointed. The 50th Banquet in 2019 was truly a night everyone will remember.

Thanks to Bob Devery for getting our members out to the Backyard Grill Gathering on the 20th. Bob put together an outdoors venue with heaters under a protected canopy for all to enjoy. I am definitely sorry I missed it. I hear there was a good turnout and everyone had a good time.

Additional thanks to Rob Succolosky for putting together a cruise to the Old Brogue restaurant for March the 6th. Rob promises a great cruise followed by good food and a chance to get together with friends who share our love for Corvettes. Please look into it and join in if you feel comfortable.

We still have a Corvette Cars & Coffee Dealership/Day at Rosenthal on Saturday March 13th. Bring your Corvette and join us for coffee and donuts as well as a chance to meet the Rosenthal team and get your questions answered. For those who sign up for service, there will be discounts and an enhanced staff to support our cars during the event. See the flyer for details.

Otherwise our tenuous 2021 calendar holds some events and I appreciate our member support for keeping us active in a socially distanced way. We still can’t say when we will be back to the dealership for our General Business Meetings so expect to be on zoom into the summer. Please bear with us.

Here is the short list of activities we plan to accomplish this year: A Rallye 101 (beginners and those that want to sharpen their skills), a tentative monthly Cars and Tacos cruise in, a Corvettes Cares Car Show (at Rosenthal), wine cruises (at least two), a potential wine trip to the Finger Lakes, Corvettes at Carlisle, Corvette Weekend (Ocean City), a Fall Rallye, other activities to be announced. Check the NVCC Web and Social Network sites for details.

We will, again, support two car shows that need your help. The big car show at Rosenthal is in the capable hands of George Durk, our Membership Chair. As usual, this is an "all hands on deck" project. The spreadsheet software supporting the winners has to have volunteers, traffic control, entry fee collection, 50/50 sales and t-shirt sales need to be supported (contact George Durk, I'm sure I've missed something). Please contact Yas Kinashi to help with the monthly Corvettes and Tacos Cruise-In (he needs traffic control, 50/50 sales and more). Thanks for your support.

NVCC Annual Corvette Car Show 2019

So that is about it for February. We are all looking for the weather to clear so we can get the shot in the arm that only our Corvettes can give. I look forward to seeing you in America's Sports Car and joining you on the road. Cold, snow and COVID can't keep us down forever. As usual, thanks to all of you who make the NVCC a very special organization to be a part of. You really do make this a pleasure.

Stay Safe!

However, on March 13, a cars/coffee is planned at Rosenthal. Members can reserve a time on the 13th to receive discounts for car maintenance. Registration will be available on MotorsportReg. Mike is preparing a flyer for this event.

The car show is planned for the second Sunday in June. At the March council meeting a decision to hold this event or cancel will be made. Rosenthal has agreed to this timeline.

Update on Events (*Check the calendar for any updates that may have occurred after the GBM.*)

Corvettes/Tacos

Bob is working on a police appreciation day and museum trips.

A VOTE TO ACCEPT THESE MINUTES WILL BE TAKEN AT THE FEBRUARY 23, 2021 GBM

Banquet: Doreen, Social Chair, updated the club on the annual banquet. Due to COVID, the banquet has been put on hold. The banquet could possibly be held later in the year when it could be held as a more elegant event. This was referred to the council for discussion and a decision.

Corvettes at Ocean City: Doreen also updated members that the club hotel for Corvettes at Ocean City could be the Princess Royal. This hotel is one long block from the Clarion where many events are held. The Park Place hotel was also mentioned since it is on the boardwalk near the car show. John will send a survey to members to determine member preference.

Rallyes: A few rallyes are still planned. No date has been set; however, it is likely one will be scheduled for the Fall. Dick will contact Doug to see if a start/end for a rallye is possible at the American Legion.

Corvettes at Carlisle: A block of rooms has been reserved for August 26, 27, 28 at the Red Roof Inn. The party room is also reserved. Rooms are \$140/night. The restaurant next door to the hotel still has a restaurant area but now serves ice cream and has a store.

NVCC will have a tent which will be set up on Thursday and taken down on Sunday. However, at this time, NVCC does not know if Carlisle will be open on Sunday.

Wine Cruises: A cruise to Barrel Oak is scheduled for June 27 with a limit of 10 people as of today. Shawn will verify with Barrel Oak as the date get closer. Barbourville and DuCard vineyards are also a possibility.

NCM Spring Bash: This is an on-site and virtual event scheduled for April 22-24.

St Patrick's Day Cruise: Rob will lead a St. Patrick's Day cruise with a stop for lunch on March 6. See the calendar for details.
