## 'GLASS GAZETTE

### BARREL OAK WINERY

Hosted by: Shawn Waddell

What a beautiful and hot day today, as usual Jeanine and Brian from Barrel Oak Winery came through. We all had VIP parking and very graciously were given flights as part of our visit.

We arrived at Home Depot in South Riding as a Porsche Driver kept admiring our cars. We took a nice tour of beautiful downtown Middleburg on our way through the Plains. Someone ... I'm not pointing fingers ... but someone kept instigating people at lights. I think it was a silverish car, lol!

All who went had a fantastic time. We had 15 Vettes in total and 25 people in all. The pizza was superb as was the company. Thanks to all who attended — you made it a great day.

# LEESBURG INDEPENDENCE DAY PARADE

It started out early for some, 8:30 in the morning, with a meeting in Ida Lee Park in Leesburg. Twenty Vettes had gathered to take part in the annual Leesburg Independence Parade. In the past up to 40 decorated Vettes from ODCC participated in this

traditional event with NVCC members invited as their guests. This year the group size was limited to 10 Vettes per group. Hence, half were from NVCC and half from ODCC. It was good to see old friends again after the Covid hiatus. Members decorated their cars in red,

white and blue decorations. Among the participants were WWII Jeeps, a roller skating group, politicians with their campaign signs, a pink Cadillac and various other participants. The parade started at 10:00 sharp. The 1.5 mile route was

along historical King Street. Along the route were crowds of people smiling, waving hands and American flags and requests to rev our engines (which was a No No). Overall, people were once again having a good time at a good old fashioned parade!

# NVCC MEETS CAF

By Bob Devery

We know what NVCC is. But CAF? So, I can tell you that one. It's the Commemorative Air Force ... a group of approximately 15,000 aviation enthusiasts who volunteer at 80+ locations around the United States to help keep 175 historic aircraft flying. These aircraft were flown in the 1930's and World War II with some extending their service into the 1960's. Our nationwide inventory has training aircraft that every WW2 pilot used to get their "wings". You'll see almost every type of fighter and bomber that flew during that time including two rare B29's. You can read more about the CAF:

[www.commemorativeairforce.com](http://www.commemorativeairforce.com)

Our squadron in Culpeper includes a recon L5 that saw service in Vietnam; a Coast Guard transport; a beautiful 1930's Fairchild—not known to most pilots; a PT 13 which was a primary trainer for World War II pilots; a Korean War vintage helicopter used all the way thru the mid-1960's as a trainer and the TBM Avenger ... a torpedo bomber that was the largest single engine bomber in WW2.

Occasionally, we get "visitors". The picture of the orange nose aircraft ... a T28 ... shows NVCC member Rich Clute

with it. He trained in it with the Marines to get his "fixed wing" aircraft rating as well as his experience flying helicopters with the Corps as well as Fairfax

County Police Department. There's also a picture of Yas and Doreen Kinashi in front of a beautiful British trainer. It was nice to see those in the pics plus other members arrive to check

out our hangar and aircraft. On our show weekends, we do a fair amount of flying with guests in the aircraft which allows us to raise the necessary funds to keep these beauties flying. I spent 30 years in aviation and love every minute at an airfield looking at the aircraft. But, the most satisfying part of the volunteering is seeing The People: a person with a parent or relative who flew these aircraft, a combat veteran from that time, who may have flown one of our planes - and of course, the kids - whether part of a family who is remembering the service of a family member or just with someone who is an aviation enthusiast.

The new generation is our future so it's delightful to see their eyes light up and hear the talk when they see these aircraft. For me, it's an honor to participate not only because of my love of aviation, but to pay my respects to those men and women who built, flew and maintained these aircraft, especially those who never came home from a combat zone. These people and all of those who went into harm's way to protect our country are the true heroes that our young generation need to know. It was nice to see our members enjoy the day and I sincerely appreciate their support for our Squadron.

## SCOTT HURLEY—MY MUSEUM DELIVERY EXPERIENCE

My wife and I first went to Louisville (2 hours away from the Museum), as that's where Glynda is from, and most of her family is still there. We arrived on 6/29, as my delivery date at the Museum was the 30<sup>th</sup> at 10:00 AM. We visited with Glynda's brother and sister and their families on the evening of the 29<sup>th</sup>.

We drove to Bowling Green on the morning of the 30<sup>th</sup>, arriving there at 9:45. When we walked in the Museum, the webcams caught us coming in, as my grandson texted us about 30 seconds later, saying that he saw us walk in (he watched off and on all day). I was directed to the Museum Delivery office, where I met Shane Webb, the delivery director, and our sponsor for the day, Ethan Mefford. After going through the usual stuff (showing my driver's license and my completed invoice to prove that I owned the car), Ethan took us on a private guided tour of the Museum. He knew his stuff, and gave us a great tour, including some areas that are not normally open to the general public. After the tour, we were taken to the backroom of the store and given the chance to purchase items which are only available for people getting the Museum Delivery. Then we browsed in the store (where I bought a number of things). After that, we had lunch at the café, and then Ethan gave us extensive orientation of the car, and most of the bells and whistles it has. Even after that, there are several settings that I haven't figured out yet

There were museum visitors looking at my car all day, especially since it was in the front, and was one of the first ones they saw. Several people asked me about it while I was getting the orientation. Finally, it was time to drive it out, accompanied by applause from the Museum visitors.

Because of insurance issues, I wasn't allowed to drive out of the Museum myself. The only thing I didn't like is that the factory tours are suspended until the pandemic is completely over. They are so far behind that they don't want to take the chance of any of their workers getting infected.

I've attached a few photos, from their webcams, my own phone, and Ethan's camera.

**NVCC + Community Service!  
AARONDALE SENIOR LIVING FACILITY  
FATHER'S DAY CAR SHOW  
Hosted by: George Durk**

This was a first, at least since I've been a member of NVCC. We received a request from the Aarondale Independent Living, Assisted Living & Memory Care Community to put on a Fathers Day car show for the residents. Megan Kelly, the Director of Life Enrichment, contacted the club hoping 4 or 5 cars would show. We really surprised her with 18 cars and every generation to boot! Thank you to all our members who volunteered to come out on a Saturday morning for some community service. The benefit was priceless to see the glee and excitement in the residents faces. We even gave out ballots for everyone to vote for their favorites. No surprise our classics took the show: 1<sup>st</sup> place was Joe Stoltz's completely restored red '61 roadster. 2<sup>nd</sup> place was Alex McKay's yellow '64 with side exhaust. 3<sup>rd</sup> place was Mark Paolicelli's '04 Commemorative LeMans Blue Convertible.

As a token of our appreciation, we presented Megan and the staff with a nice C1 model, via Dick Hammaker and Joanna McCandless.

Less than a week after our big charity fundraiser car show, what a delight it was to also put on a mini car show and give in a non-

monetary way.

## FLIGHTLINE PARKING AT PATUXENT WITH SURPRISE TREAT FROM LAURI

From Bob Devery

I was very excited with the opportunity to take a group of members to Patuxent Naval Air Museum. Patuxent is home to a lot of test pilots and amazing aircraft that they continue to push the envelope in the air. However, it got even better when Lauri Stevens found out that we would begin our run from the National Harbor area. Since she lives there, she offered to have coffee ready for members if we were willing to use her townhouse as the departure point. Heck... free coffee and a possible donut? Sounds good to me. Well, as everyone saw, Lauri gave us a Cracker Barrel type send off !!

Early arrivals John Stark, Doreen and Yas Kinashi gave Lauri six helping hands in making a magnificent buffet breakfast.

Our group of 11 Corvettes filled her driveway as well as some of the neighbors and some curbside parking. The only downside to it was that I had to drag everybody away from a wonderful breakfast in order to hit the road for the planned museum arrival time. I did not get pictures of our group being shown the wonderful hospitality by Lauri. But, trust me, she went well out of her way, so... A huge thank you to her.

We left around 10:40 AM with a game plan to get to the museum as the gate opened at noon. Thanks to some good walkie-talkie chatter and specific updates from Bob "Waze" Shoemaker, our formation stayed intact en-route to PAX. We arrived at noon with my museum contact, Melanie, and her husband, Ben, USN and 9 month old son waiting with the flightline gate open for us. It was like being at Wright Patterson Air Force Base again with the opportunity to park near some very cool aircraft. We all were told to head to the aircraft that appealed to us which was not a problem as there were many aircraft and cars.

An extremely wonderful part of the tour was the docent that Melanie lined up for us. Brian had completed a career as a Naval aviator with approximately 4000 hours of flight time. He knew every aircraft on the flightline like the back of his hand, especially ones that were the type that he had flown.

However, one aircraft in particular on the flightline was one that he had personally flown on his last active duty flight. It was the Navy F4C Phantom that is in the picture with all of us standing in front of it. On that last flight, Brian said then he took it up to 50,000 feet and had a Mach 2 ride with it ... aviation speak for speed over the ground in excess of 1400 mph—faster than even any of our Corvettes! But... It's not too fast

for one of our club members, Dick Hammaker, as he flew the Air Force version RF4C recon Phantom in combating the friendly skies above Vietnam. The hand salute in the picture is to you, Mr. Hammaker.

Another aircraft that is important to another club member is the A5 Vigilante. This aircraft is a super sonic bomber that flew off aircraft carriers during Vietnam. The idea of taking a bomber with nuclear capability and being able to launch it and recover it with the carrier catapult and landing system is amazing. It took some incredible people to make this and other aircraft capable of doing it. Mike Gilliland's Dad was one of these amazing people who made the Vigilante become a reality. A picture of it is here with member Randy Taylor's car complimenting #643.

The Museum has a few aircraft in the mall area as well as a hangar for PROPULSION, otherwise known as ENGINES ... very high performance engines!! Some members would've spent days there. Right Messrs. Stark, Palmgren and Mars?

And we finished with a trip to the PAX River Ale House before hitting the road back home. A good day for all aviation enthusiasts!!!

## THE PRESIDENT'S CORNER—JULY 2021

The heat is on this summer and the NVCC is well on the way to a successful season of Corvette motoring. I hope that everyone who could, has had the opportunity to lift the top off their Vette and crank up their favorite tunes. We have a growing number of lucky members with C8's in the club. What a joy it is to see the mid-engine Corvettes that Zora only dreamed of. No matter what generation Corvette we drive, every car is a thing of beauty.

Dick Hammaker is, again, in the news at the National Corvette Museum. Dick is supporting the work on the upcoming extension to the NCM. In addition to bringing us Rallye 101, Mr. Hammaker is our NVCC Ambassador to the Museum. Dick is truly dedicated to ensuring the legacy of Corvette for all of us. If you aren't already an NCM member, please consider it. A trip to the Museum in Bowling Green, Kentucky is a really special experience; seeing the Museum as a member makes it that much better.

My thanks, again to Yas and Doreen Kinashi for another successful Corvettes and Tacos car show at Cascades Plaza in Sterling. Thanks to all of you who came out in support of this monthly event. In addition, Yas and Doreen supported the NVCC participation in the July 4<sup>th</sup> Leesburg parade. Let's all give kudos to Yas and Doreen for organizing this event.

Our resident Bacchus, Shawn Waddell, led us back to Barrel Oak on June 27<sup>th</sup>. Shawn provided a cruise to Barrel Oak Winery with a complementary tasting for our club members. The food, drink and chance to mingle in a relaxed atmosphere were a special joy coming off of the 2020 COVID-19 year. Many thanks to Shawn for organizing and leading this yearly event. Shawn's October 10<sup>th</sup> trip to Virginia's penultimate winery at Barbourville is filling up. This visit to the Barbourville Winery should not be missed.

Mr. Bob Devery led a cruise to the Patuxent River Naval Air Museum on the July 11<sup>th</sup> that offered a great chance to see some terrific examples of American ingenuity. The RA5 on exhibit is a favorite of mine (my dad helped to produce many of those aircraft at North American Aviation). Sadly, I missed this one (My C6 has a badly cracked windshield which is being replaced). Bob is also supporting a Police Appreciation Day in August. Let's all join him if we can.

RA5 AT PATUXENT MUSEUM

We regret the cancellation of the August 20-21 Fairmont Hotel event. Our strategy is to come back in 2022 and support this event with more planning. We really look forward to a building the relationship with the Fairmont Hotel. My personal appreciation goes to Ferrell Cook, Doreen and Yas Kinashi who supported this effort.

I look forward to seeing many of our members at Corvettes at Carlisle this year. The Corvette Engineering Team is back this year. The NVCC tent provides a welcome oasis for our members. Bring your folding chairs to the NVCC tent and join us. We will be manning the Club tent starting August 26. Help with setup on the 26<sup>th</sup> and manning during the event will be thoroughly appreciated.

Please get your registration in for Free State Corvette Club's Corvette Weekend (Ocean City) if you plan to join us. We (NVCC) should be close to the front of the parade again this year. There's nothing quite like parading your Corvette with the Club on the Boardwalk. Thanks again to Jane Stieber who set us up just a walk from the awards banquet.

That's it for July. I know it's hot out there, but our Corvettes are definitely cool. There's nothing better than joining our friends and showing off our cars, no matter what generation. Please forgive me if I've left anything out. As always, your participation makes the NVCC a joy to be a part of.

# NATIONAL CORVETTE MUSEUM

By: NCM Master Ambassador Dick Hammaker

## WHAT DOES IT MEANTO BE "CORVETTE POWERED"?

National Corvette Museum’s newest exhibit will showcase vehicles, specifically mid-century non-General Motors/non-Corvette vehicles, that utilized Corvette engines and drivelines.

At a time when America’s automotive industry was lacking, the small-block Chevy V8 engine changed everything. It was quickly discovered that other engines could not compete with Chevrolet’s engineering of the Corvette engine. As a result, some manufacturers, rather than developing their own engine, approached Chevrolet and purchased Corvette engines or drivelines for their cars. The use of Chevy’s small-block engine within both American and European sports cars and GT cars was seemingly the answer to the problem.

### PLEASE NOTE:

Don't forget -- in order to become full voting members of NVCC, our by-laws require prospective members to attend a General Business Meeting (GBM) and club event within 4-months. Monthly GBMs are currently via Zoom. If a Prospective Member has not attended an event, due to COVID-19 concerns, 2 GBMs will fulfill the event membership requirement. Conversely, if your schedule does not permit you to attend a GBM, 2 events fulfill the GBM membership requirement.

If you are a prospective member, have attended a GBM and event, but have not received an invitation to join as a full member, send me a notification specifying GBM date or event.

## HOTEL ALERTS From Jane Stieber

This is a reminder about NVCC group hotel reservations for the two upcoming Corvette events.

*Descriptions of these events are in this July Club Newsletter. NVCC has had great turn-outs at both these events in 2019 and expect we'll have the same this year making both these weekends so much more fun.*

**Corvette at Carlisle** is being held for August 26-29, 2021. We have a block of rooms at the Red Roof Inn, 1450 Harrisburg Pike in Carlisle, a short drive to the Fair Grounds. The rate is being held until **July 26** or we fill our allotment, so it is advised to book early. Our block rate is \$139.99/night plus tax. Call the hotel directly at (717) 706-3862 and ask for the Northern Virginia Corvette Club room block.

<https://www.carlisleevents.com/events/events-detail/index?id=corvettes+at+carlisle>

*Cancellation can be made up to 48 hours prior to your arrival date.*

The **Ocean City, Maryland, Corvette Weekend** sponsored by the Free State Corvette Club is being held October 15 and 16, 2021. We have arranged a group rate at the Princess Royale all-suite hotel, the closest hotel to the Clarion Hotel where the registration, banquets and awards party are being held. The NVCC group often plans smaller dinners together for those who forgo the larger events. Rooms are being held until September 14, at a discounted rate for Thursday-Monday. Friday and Saturday nights with ocean/pool view are \$159 and oceanfront views are \$199. Rates for those coming early or staying late, Thursday and Sunday nights, are \$139 and \$169, respectively. Two-bedroom condos are also available at \$359 on Friday/Saturday and \$319 on Thursday/Sunday. Call the hotel directly at (443) 856-2367 and request the Northern Virginia Corvette Club group rate. Cancellation can be made up to 72 hours prior to your arrival date.

If you have any questions about the hotels, call me at (202) 331-0333 or email [jacydc@hotmail.com](mailto:jacydc@hotmail.com).

# NVCC GENERAL BUSINESS MEETING MINUTES

JUNE 22, 2021—BY: EVELYN MCKAY, SECRETARY

**Council Present:** Mike Gilliland, President  
Shawn Waddell, Vice President  
Yas Kinashi, Officer-at-Large  
Evelyn McKay, Secretary

The meeting was called to order at 7:32 pm via Zoom video conferencing software by President Mike Gilliland, who presided over the meeting.

**Approval of Minutes:** The May 25, 2021 minutes were approved.

### **New Member Welcome/ Introduction.**

Current members introduced themselves.  
Mark DeGroot, new member  
Andrew Pang, new member

### **Newsletter Articles are Needed:**

Reminder: Please send articles Marsha, Newsletter Editor.

### **Car Show:**

- 84 cars attended including members from the Gaithersburg, Bel Aire and Old Dominion clubs.
- Registrations covered the show's fixed costs. Additional revenues were from the 50/50 drawing, raffles, etc. The charitable donations are estimated at approximately \$1,500.
- Thank you to George and all who volunteered. Thank you to Damien at Rosenthal who made sure cars on the sales lot were moved to make room for the show.

### **Purcellville Cruise:**

The participants (and weather/food) made this a particularly good cruise/lunch. Rob is planning to schedule restaurant cruises through December.

### **Aarondale Car Show:**

- Every Corvette generation was represented with 18 cars attending. George created a car show so that the residents could vote for first, second and third place.
- A Corvette model was presented to the staff.
- This was a poignant car show where the club showed its charitable nature.

### **Graduation Drive-By:**

Thank you to the participants of the graduation drive-by for Vicki and John Scott's granddaughter.

### **Corvettes/Tacos:**

Bob Shoemaker will assist Doreen and Jason at the next Corvettes/Tacos.

**A VOTE TO ACCEPT THESE MINUTES WILL BE TAKEN AT JULY 27, 2021 GBM**

**Wine Cruises:**

- The Barrel Oak wine cruise is full. Oysters, pizza, and shrimp are available for purchase. There is reserved parking for club members.
- The Barboursville cruise is full. Twenty members are registered with 13 cars attending.
- Check the club calendar for meeting times/places.

**Pandemic Heroes Appreciation Day:**

This event is scheduled for September 4. Andy Guzman will have updates.

**Fall Rallye:**

The original date (November 14) may be changed due to another event. Mike and Kris are working on the details.

**Fairmont Hotel Cruise/Staycation:**

This event is scheduled for Friday and Saturday nights (August 20-21). Cars will be parked in prominent places. Flyers will be sent with invitations to NVCC members first. ODCC will receive invitations second.

**Additional Events (See the NVCC calendar to confirm all dates):**

Bob Devery reported on the following:

- Culpepper Commemorative Air Force Squadron (July 3). Airplane rides are almost sold out.
- Patuxent Air Museum (July 11). A photo opportunity is available for \$20 which enables the participant to park under selected aircraft. Lunch or dinner will be held at a local restaurant.
- Police Appreciation Day (July 15). Members will have lunch and then meet the officers from the Fair Oaks Police Station.
- Flying Circus. To be scheduled for October.
- Sea Cruises. Alaska is almost sold out. A "get away from winter" cruise is planned. A possible river cruise is in the planning stages.

**Corvettes at Carlisle:**

- The NVCC tent is reserved.
- Please register and indicate that NVCC is your club.
- The Red Roof Inn has a block of rooms available for NVCC to be held until July.

**Corvettes at Ocean City:**

The Princess Royale Hotel is almost sold out of oceanfront rooms.

**Trivia** was hosted by Jeff Klain.

**Treasurer/Social Media/Tech/Website:** No new business.

**Membership:**

- 137 primary members.
- 17 prospective members.

The next Council Meeting will be held via Zoom on July 13 at 7:30 pm.

The next GBM will be held via Zoom on July 27 at 7:30 pm.

Meeting adjourned at 8:46 pm.

Evelyn McKay  
Secretary, Northern Virginia Corvette Club

Friends:

As many of you know, Chip Miller was not only my father, but my best friend. He loved spending time with my mom, sisters and my family. We lost an avid, passionate Corvette enthusiast and incredible friend when Amyloidosis took him from us, way too early, in 2004.

In 2009, we were fortunate to begin the tradition known as, Corvettes for Chip. We have had the tremendous support of the York County Corvette Club, Corvette friends and enthusiasts and the Corvettes for Chip tradition has continued annually since its start. Traditionally held in early fall it has become a great way to remember my father and support his passion for Corvettes, while raising thousands of dollars towards Amyloidosis research and awareness. Since inception, it has been held as a stand-alone event. 2021 is about to change that!

***This summer Corvettes for Chip becomes a two-day celebration as it joins forces with the Carlisle GM Nationals. I personally invite you to spend not one, but two days with us by participating in both shows at the same time!***

Combining the two events offers our supporters the best of TWO shows! Guests can participate in raffles, Chinese auctions, 50/50 tickets and TWO ways to win a Corvette! Take a chance on winning #33 of only 60, 60th Anniversary Limited Edition Cunningham C8 Corvette or a 2021 Corvette Coupe 2LT. In addition, Registered vehicles are eligible for Corvettes for Chip Celebrity Judging as well as GM Nationals Participant judging awards.

Corvettes for Chip participants will be parked in their own reserved area in the center of all that the GM Nationals has to offer. This year, celebrate 100 years of history, together in one place. You can meet TV host and builder Mike Finnegan, see displays featuring TV, movie and comic themed cars, a 50th celebration of the Vega and H-Platform, a GM Swaps display, Solid Lifter Showroom, competitions and more.

There is nothing better than coming together for the love of Corvettes except coming together twice!! Corvettes at Carlisle is shaping up to be a great event later this summer (August 26-28). We are excited to return to downtown Carlisle for the annual Corvette parade and street party, come together for our CMAF Benefit Dinner on August 27th at the Carlisle Expo Center and showcase our planned displays and reunions that will join you on the Fun Field. I promise; it will be worth a return trip to the fairgrounds!

I hope to see you next month as the CMAF and our friends at York County Corvette Club host the first-ever Corvettes for Chip event in conjunction with the 2021 GM Nationals. Let's raise awareness of this dreaded disease...together!

As my father would say, Life is Good!

Thank You,  
Lance Miller

### Subject: 2021 Corvette Charity Raffle

Needless to say, like most things, we were unable to conduct a raffle for charity last year due to COVID19, which had a negative impact on our clubs charitable activities. That was then and this is now. Once again, the Lancaster County Corvette Club in conjunction with Carlisle Events is conducting a Corvette raffle with 100% of the proceeds being evenly split between the Chip Miller Amyloidosis Foundation and the Clare House. I am asking for and need your support.

The car is a 2021 Artic White Coupe, Black Interior, 495 hp engine, automatic transmission, and LT2 equipment group as per the attached flyer.

As in prior years, we will use the successful formula as we have in the past. We will only sell 1000 tickets at \$125.00 each, with the tickets numbered between 000 and 999. The winner will be determined by the Pennsylvania Daily Lottery (Pick Three) on Saturday, August 28, 2021 using the 7:00 PM drawing. The number drawn on the lottery will be the winning number. By using the PA Lottery number, which is drawn live on television, we are assured of an absolute tamperproof process. The odds of winning are great, on a great vehicle, while helping needy and worthwhile charities. Only \$125.00 for a chance to win a brand-new Corvette with 100 percent of the profit going to the charities. And you do not need to be present to win.

I would really appreciate your support. If you will mail a check for one or more tickets made payable to Lancaster County Corvette club (LCCC) and marked charity raffle, I will randomly select a ticket(s) and return the ticket to you. **Note: Be sure to include your current phone number.** My address is shown above or use the address on the attached flyer.

If you have any questions, just give me a call, and thanks in advance for your support. "Good Luck".

Very Best Regards,  
Clyde and Sue
